Goal #1: Preliminary Concept Cable Goal #2: For Quotation only Cable Goal #3: Prototype Cable Assemblies Goal #4: Production Cable Assemblies For many projects, the very first cable assembly drawing generated is some type of "napkin sketch" (Figure 2). While this doesn't have to be written on a napkin or jotted down over a beer or coffee, some type of initial sketch is necessary early on to get things started. The primary goal at this point in the project is to create a visual tool to he...
