

Direct Sales of Fiber Optic Composite Power Cable

We carry a vast selection of fiber optic products including bulk fiber cables and have an extensive selection of tools and products to optimize your fiber cable management and protection capabilities.

Our Power+(TM) composite fiber cable delivers remote power and network connectivity beyond 100 meters for PTZ cameras, DAS, and PON applications.

Deliver AC or DC power to a wide range of devices, including routers modems and IP cameras. Can be buried underground, eliminating the need to install conduits or ducts, saving time and cost.

Stocking distributor of fiber optic installation tools, bulk fiber cables, fiber patch cables, test equipment, cable management, fiber optic training and more.

AchieVe brand fiber optic Ethernet patch cables provide reliable low-cost multi-mode fiber connections. With fiber optic connections, you get faster transmission speeds than copper plus no detrimental ...

Power+ composite cables are ideal for long distance PTZ camera installations, Distributed Antenna Systems (DAS), and Passive Optical Networks (PON). Power+ composite cables are available with a ...

CERTIFIED TECH SUPPORT: To help you in product selection & fiber installation concepts, all of our Sales Technicians and Support Personnel are Certified Fiber Optic Installers.

Empower your network with PoE power, voltage, and cable solutions. Ideal for smart environments, small cells, and Wi-Fi access points.

Free Shipping available on all Fiber Cables Direct stock cable products, custom cable products and all other products within the U.S. including Alaska and Hawaii.
