

The SC connector by DIAMOND SA is an IEC-compliant fiber optic solution offering high precision, low insertion loss, and push-pull operation. Ideal for telecom, datacom, and instrumentation networks.

CommScope offers a variety of low-loss LC, SC, SN and MPO fiber optic connectors that deliver superior mechanical and optical performance.

Discover Amphenol FOP's SC fiber optic connectors - precision-machined, dust-resistant, and available in simplex/duplex formats for reliable telecom, datacom, and FTTx links.

As a trusted distributor, Vyrian offers competitive prices, fast shipping, and 24/7 support. Contact us today for your SC Fiber Optic Connectors needs.

Corning's 728 series and 740 series of SC (subscriber connector) connectors and adapters offer superior performance with high repeatability. Fully intermateable with standard NTT SC, these ...

Mouser offers inventory, pricing, & datasheets for SC Connectors Fiber Optic Connectors.

Manufactured mostly from injection-molded plastic, SC Connectors are less expensive to produce than metal counterparts like FC and ST. They are available in simplex or duplex ...

Leviton's simplex and duplex SC connectors are ideal for field termination using epoxy or anaerobic adhesives for faster terminations. Simplex connectors include one SC connector, one 2.4-3.0 mm ...

Eliminate field polishing for faster deployment in tight spaces and remote locations with our SC fiber optic connector. It simplifies high-speed network repairs and installations.

Stran Technologies has specifically designed these connectors with an integral ferrule assembly plus a connector body, which offers long-term reliability of the fiber interconnection and enhanced optical ...
