

Integrated Optical Power Meter and Red Light Speed Measurement

The Y3 Handheld Optical Power Meter & Red Light Pen All-in-One Series is a professional tool designed for continuous optical signal power measurement and fiber continuity testing.

Powered by LaserPoint technology, these meters are available as integrated meters that connect directly to a computer's USB port as well as stand-alone power detector heads that connect to a ...

MULTIPLE FUNCTIONS: Integrated test, optical power meter, red light source and LED light, covering most of the needs of communication maintenance. **MEASURING RANGE:** Multifunctional optical ...

4-in-1 optical power meter MINI all-in-one machine: optical power meter, red light source, LED flashlight, network test. Every effort is for more comfortable use:

Choose the optical power meter you need to enable centralized control, flexible connectivity, and scalable measurement capability for optical component development or production test. Choose one ...

MULTIPLE FUNCTIONS: Integrated network test, optical power meter, red light source and LED light, covering most of the needs of communication maintenance. See more product details

Frequency automatic recognition: Accurately identify the optical fiber transmission frequency, which can be used to determine the lighting method during the construction process, whether it is continuous ...

Compatible sensors are easily identified by the red C-series connector. All of our old A/B-Type sensors are available with the new connector; plus, we have continued to expand our power and energy ...

The Y3 Handheld Optical Power Meter & Red Light Pen All-in-One ...

It utilizes red light technology, which allows for accurate power measurement and characterization of fiber optic networks. The device features a high-resolution touchscreen interface, ...

The Y3 Optical Power Meter with Built-in VFL is an efficient 2-in-1 testing tool combining a high-accuracy optical power meter with a 650nm red light visual fault locator. Designed for fiber professionals, it ...
