

Laos Industrial Network Managed 100Mbps Switch

This layer 2+ industrial managed switch supports Layer 3 static routing, RIP/OSPF dynamic routing, and VRRP virtual routing, ensuring continuous network operation with optimized routing and gateway ...

Our Industrial Ethernet Switch portfolio comprises Managed and Unmanaged Switches with Gigabit, PoE, IEC 61850 certification, and for DIN rail mounting. This gives you the flexibility to build powerful ...

Designed with a fan-less heat dissipation circuit, wide operating temperature range, and high protection grade, it delivers excellent industrial-grade performance, including resistance to extreme ...

Designed with a fan-less heat dissipation circuit, wide operating temperature range, and high protection grade, it delivers excellent industrial-grade performance, ...

ORing offers a comprehensive portfolio of rugged industrial Ethernet switches, from cost-effective unmanaged and PoE models to advanced Layer 2/3 managed switches enabling precise control. Our ...

Equipped with 10 Gigabit Ethernet ports, this device is designed to facilitate seamless communication between devices while ensuring reliable data transfer across various applications, from ...

With high-speed 10-GE uplinks, high-wattage PoE options, ultra-low jitter, advanced network security features, and device-to-cloud performance monitoring with the Cisco ThousandEyes agent, these ...

AOA Tech Industrial Managed Switches are fully managed L2 L3 switches, adopting the store-forward architecture and energy-saving design, supporting PoE af/ PoE+ at copper port and 155M/1.25G/10G ...

Moxa provides a wide range of industrial Ethernet switches that feature industrial-grade reliability, network redundancy, strengthened security, easy management, and competitive price-to ...

Managed Industrial Ethernet Switches are purpose built for reliable networking in harsh industrial environments such as factory automation, transportation systems, utilities, and energy infrastructure.

Laos Industrial Network Managed 100Mbps Switch
