Quick Links to Cable Reels InformationCable Reel ApplicationsTypes of Cable ReelsBasic Reel ConfigurationsMaterials of Cable ReelsThere are many different kinds of cable reels. They are primarily grouped according to the size of cables that they can hold, though the name of an individual reel does not necessarily reflect this. Plywood reels, for example, which are made either from poplar ply or bitch, are considered appropriate only for lighter loads. These inexpensive cable ...See more on iqsdirectory ensunTop 100 Cable Reel Manufacturers in 2026 | ensunPROCAB offers empty cable reels designed for durability, featuring impact-resistant materials and ergonomic grips, making them ideal for various applications.
