

Mozambique Aluminum Alloy Cable Tray Production

Explore Mozambique's aluminum sector, led by Mozal, and learn about its economic significance, challenges, and key players in the industry.

Our Mozal Aluminium operation is the largest industrial employer in Mozambique and is made up of a smelter and transport infrastructure, just west of capital city Maputo.

In February 2013, Mozal signed an agreement to supply 50,000 tonnes of aluminium to Midal, one of the world's largest aluminium cable manufacturers, which has a presence in Mozambique. This...

The presence of Midal shows that clustering around megaprojects can help build manufacturing in Mozambique, but very specific factors - including, in this case, Mozal's decision to ...

As a less-expensive alternative to conduit, a stronger alternative than wire basket, and superior to generic tray, Snap Track saves on labor and reduces total installed costs.

Being one of the leading Cable Tray Manufacturers in Mozambique, we use graded raw materials and all the latest technologies for manufacturing purpose. Our experienced team also pays attention to their ...

Thanks to innovation and improved technology, that helps us to evolve into a one-stop shop for Cable Tray. Our highly educated expert closely monitors every aspect of manufacturing and keeps their ...

Midal Bahrain has setup an Aluminium & Aluminium Alloy rod, wire & conductor factory - Midal Cables International Limitada in Matola - Mozambique adjacent to Mozal smelter with the capacity of over ...
