Outdoor butterfly-shaped optical cable gjyxch

GJYXCH is a self-supporting leather sheath optical cable: G.657 optical fiber core is placed in center, 2 strength members are added on both sides to support, and extruded to be sheath.

Featured are the GJYXCH series of outdoor bow-type drop optical cables, designed as self-supporting with metal strength members (including galvanized steel wire in some variants) and LSZH jackets for ...

· The optical cable has simple structure, light weight and strong practicability; Unique groove design, easy to peel, easy to connect, simplify installation and maintenance;

We are a professional fiber optic cable manufacturer specializing in the production of indoor and outdoor fiber optic cables, FTTH drop cables, and OPGW (Optical Ground Wire) solutions for global telecom ...

Micro-slip tubes and butterfly sleeves are easy to separate, facilitating connection and simplifying installation and maintenance. Two parallel reinforcement members provide the optical cable with ...

FTTH outdoor drop cable (GJYXFCH/GJYXCH) is also called self-supporting butterfly drop optical cable which consists of a indoor butterfly cable and an ...

With a figure-8 flat structure, reinforced messenger wire and excellent tensile performance, this cable is ideal for outdoor FTTH deployment, aerial drop installation and residential broadband access. ...

FTTH outdoor drop cable (GJYXFCH/GJYXCH) is also called self-supporting butterfly drop optical cable which consists of a indoor butterfly cable and an additional strength member at the two sides. The ...

GJYXCH Self-supporting Butterfly Lead-in Fiber Optical Cable with Metal Reinforcing

This outdoor butterfly drop cable is designed for outdoor wiring, featuring a metal reinforcement for enhanced mechanical strength. Its LSZH sheath offers environmental friendliness and excellent fire ...

The cable features a butterfly structure for easy stripping and installation, with water-blocking materials and a polyethylene sheath, offering waterproofing and durability, widely used in FTTH network ...
