

The Industrial 4-Port Gigabit Ethernet PoE++ Switch with 2 SFP Ports from ...

This compact PoE 4-Port Switch integrates four 10/100/1000BASE-T RJ45 ports with IEEE 802.3at PoE+ capability, delivering up to 30W per port to connected devices, alongside one 100/1000X SFP ...

The Industrial 4-Port Gigabit Ethernet PoE++ Switch with 2 SFP Ports from Intellinet Network Solutions was designed to give you the network connections and device power you need in places that are ...

This IEEE 802.3at compliant switch has a total PoE power budget of 250 Watts. This 4 port industrial PoE switch supports IEEE 802.3 flow control for full duplex, and backpressure for half-duplex, and ...

Network Solutions Industrial Ethernet Industrial Unmanaged Switches I-100 4 Port Industrial Fast Ethernet PoE+ Switch

Utilize this unmanaged PoE switch for demanding industrial applications with simplified cabling via simple plug and play installation for guaranteed reliability and great flexibility.

PT-PIS4PB1T is a 4-port PoE switch designed for industrial applications. Each port is capable of providing up to 90W of power to PoE devices with a voltage range of 48-55V DC and a maximum ...

With an industrial-grade design, our PoE switches provide surge protection of 4 kV per LAN port. Additionally, Smart PoE management features simplify PoE network deployment and maintenance.

AXIS T8504-R Industrial PoE Switch is a 4-port managed industrial PoE Gigabit switch. In addition, the switch is equipped with two RJ45 and two SFP data ports that allows for extra devices to be connected.

Four-Faith Industrial Switch using industrial-grade design (IP40), support up to twenty-four ethernet ports (10/100M), four Base-T ethernet ports (10/100/1000M), and four SFP slot.

Designed with industrial automation and surveillance applications in mind, this industrial PoE Ethernet switch delivers both power and high-speed data through a single cable, simplifying deployment and ...
