

Amphenol 25G SFP28 Optical Transceiver Modules and 100G QSFP28 Optical Transceiver Modules Available Now in SR (Short-Range) Multimode and LR (Long-Range) Single Mode Transceiver ...

Leading SFP supplier offering high-performance optical modules and network solutions. Make Better Compatible - providing the most compatible, high-quality optical modules at the best prices.

Shop high-speed optical transceivers from Unitekfiber. We offer 100% compatible 40G, 100G, and 400G QSFP-DD modules for data centers. Expert technical support & wholesale pricing.

Click to get your 40G QSFP+ transceiver modules from nearby warehouses. 30-Day Free Return. Trusted by 260K+ Enterprise Users.

Deliver exceptional efficiency with low quiescent current designs and accurate voltage regulation for compact, power-sensitive modules. Flexible configurations support diverse optical networking ...

Whether you need a fully integrated single-unit module or an ultra-compact Multi-Wavelength Combiner, our lasers--available in direct diode and diode-pumped configurations--are designed for precision ...

Shop high-speed optical transceivers from Unitekfiber. We offer 100% compatible 40G, 100G, and 400G QSFP-DD modules for data centers. Expert technical ...

Search for used optical power module. Find Agilent - Keysight, JDSU - Viavi - Acterna, Tektronix, Exfo, Stryker, Yokogawa, and Bio-Rad for sale on Machinio.

MPS Power Modules offer superior performance and size advantages when compared to other industry leading solution. The monolithic design allows for faster switching frequency, which leads to ultra fast ...

This module version is an ideal building block for system integrators, especially in optical communication networks and CATV applications. It requires only a single +5V power supply with low power ...

Engineered to meet IEEE 802.3 and MSA standards, our module provide excellent signal integrity, low power consumption, and advanced digital diagnostic monitoring (DDM/DOM). LINK-PP SFP module ...
