This distribution box is designed for 2-4/3-6/5-8 circuit breakers. The black cover is transparent, so you can easily check the status of the circuit breaker without opening it.

Fix the circuit breaker on the internal guide rail, and at the same time lead the wires through the reserved holes, and fix the electrical box with the equipped screws.

Transparent distribution box with switch

Our circuit breaker protective box shell is IP65 engineering-grade waterproof with preventing snow and rain function, provide safety protection for your circuit equipment.

With a clear cover for easy monitoring, flame-resistant materials, and effortless wall mounting, this breaker box is perfect for solar systems, EV charging stations, and more.
