

Where to buy a disassembled optical module

Shop high-speed optical transceivers from Unitekfiber. We offer 100% compatible 40G, 100G, and 400G QSFP-DD modules for data centers. Expert technical ...

Anchor is a Bay Area fixture, having served design engineers, electrical engineering students, and OEMs for more than forty years. Conveniently located just off of Highway 101 in Santa Clara, our ...

S8512 disassemble GP24CA LSB1GP24B 24-port Gigabit SFP optical module board tested working fine.

Product details The Ubiquiti UACC-OM-QSFP28-SR4 is designed to enhance networking capabilities with its QSFP28 transceiver module. This plug-in module provides a reliable and efficient solution for ...

Shop high-speed optical transceivers from Unitekfiber. We offer 100% compatible 40G, 100G, and 400G QSFP-DD modules for data centers. Expert technical support & wholesale pricing.

Optopax offers comprehensive OEM manufacturing services for custom optics and imaging solutions--spanning individual lens elements, precision lens assemblies, AI-enabled camera ...

Discover California United States of America surplus auctions. Register free and start bidding today across more than 500 categories.

We serve the needs of inventors, engineers, and technicians around the world. Shop our wide inventory of hard-to-find electronic parts at surplus prices!

DigiKey is your go-to source for millions of electronic components, many in-stock quantities, fast shipping, and expert support. From design to production, we get technical to help you innovate.

FS provides 1/2/4G transceivers modules in SFP form factor, supporting transmission distances from 100m to 120km over SMF/MMF fiber and enabling low power and ...

100G QSFP28 DR Single Lambda is a transceiver module designed for 500m optical communication applications. The module incorporates one channel optical signal on 1310nm center wavelength, ...
