

Wholesale and Customization of Italian Cable Trays

For almost 40 years, we've manufactured high-performance cable tray systems, catering to both customized and standard needs in industrial and civil applications.

We manufacture metallic cable tray systems in the following types: solid bottom cable trays (perforated and closed), ladder trays and mesh trays, in different structural dimensions and material qualities.

The mesh cable trays S2 line is a complete system that uses a number of products (for example covers and shelves) which are already part of Sati Italia's range of products.

Our highly educated expert closely monitors every aspect of manufacturing and keeps their fingers on the pulse to deliver the highest quality Cable Tray in Italy.

Volza's Cable Tray Electrical Suppliers Directory is 100% authentic as it is based on actual Cable Tray Electrical shipments with complete export details from Italy.

Our lean but well-organized production plant allows us to be extremely flexible and able to customize lots even of small dimensions, meeting the client's needs where they have to comply with stringent ...
